Here is the structural mapping and feature list for the stage asset layout:

Grand Theater Stage & Modular Elements

- **Main Stage Centerpiece:**
 - **Elevated Wooden Stage Floor:** Planking styled with warm sandstone highlights and rich timber undertones.
 - **Crimson & Terracotta Curtains:** Heavy draped velvet curtains framing the main stage with golden rope tassels and valance headers.
 - **Stage Lighting & Footlights:** Slate-grey brass spotlight fixtures mounted overhead and along the stage apron.
 - **Backdrop Frame:** Modular backdrops featuring interchangeable scenic panels (forest silhouette, starry night sky, and castle facade).
- **Stage Props & Side Assets:**
 - **Performance Props:** Podium, theatrical masks (comedy & tragedy), wooden trapdoor tile, footlight lanterns, and microphone/stand variants.
 - **Seating & Balcony Trim:** Plush red velvet theater seats in rows and ornate wooden box balcony railings.
